7 SUPER NUTRIENTS

CLA

Conjugated Linoleic Acid

- An essential fatty acid
- Reduced body fat & enhanced lean muscle
- Nutritional support for the prevention and treatment of atherosclerosis
- Boost immune system response function
- Helps stabilization of blood glucose levels
- Tremendous anti-cancer benefits

Hydrolyzed Collagen

Pre-digested Branch Chain Amino Acid

- Helps repair and restore connective tissue
- Essential for proper function of all body tissue and organs
- Forms framework of joints, cartilage and tendons
- Supports healthy skin, hair and bones & builds lean muscle
- Amino acids assists in slowing down the aging processes
- Supports deep, restful, relaxing sleep

Super Citrimax™

Garcinia Cambogia Extract/Hydroxycitrate/HCA

- Inhibits lipogenesis (inhibits consumed carbohydrates from being converted to fat)
- May increase production of glycogen, creating greater and more sustained energy levels
- Naturally reduces appetite, results in reduced food intake
- May naturally activate thermogenesis in response to food consumption (thus the burning of calories)

Pyruval Glycine

A Proprietary Pyruvic Acid Complex That Enhances The Production Of Energy At The Sub-cellular Level

- Improves cellular respiration and oxygenation
- Makes cells more metabolically active
- Increases energy, stamina and endurance
- Enhances cellular fat burning response

ChromeMate®

Uniquely combines the benefits of chromium and niacin into a single mineral complex. ChromeMate® has been clinically studied, and may be used to help maintain healthy blood sugar, cholesterol levels and body weight.

- Performed niacin bound biologically active chromium
- Purest form of non-toxic bio-available chromium
- The Patented Cholesterol Fighter
- Lowers blood lipids such as cholesterol and triglycerides

MSM

Methylsulfonylmethane – The Natural Organic Form Of The Essential Mineral Sulphur

- Tremendously biologically active and enhances cell renewal
- Helps thicken hair, improve skin tone and strengthens nails
- Supports healthy connective tissue
- Removes damaging free radicals from cells
- Beneficial for anxiety, depression, stress, eye problems, skin problems and asthma
- Beneficial for inflammation, allergies, arthritis, joint pain, wound healing and respiratory diseases

Aloe Vera

200:1 Aloe Vera Gel (concentrated micellized extract)

- Soothes, cleanses, heals, rebuilds and rejuvenates
- Promotes and stimulates the normal growth of living cells
- Over 200 nutrients, vitamins, minerals, EFAs & enzymes
- Helps deliver other powerful nutrients to the cell
- Anti-diabetic/Hypo-glycemic, anti-bacterial, anti-fungal, anti-viral and anti-ulcerogenics
